Multiple monitor support: MONOPOLY PLUS does not support multiple monitors.

Notebook support: Laptop models of these desktop cards may work as long
as their performance is on-par with the minimum configuration.
For an up-to-date list of supported hardware, please visit the FAQ for
this game on our website: http://support.ubi.com

1.3 Language selection
You can edit your language choices from the Video section of the Settings
menu.

##############################
2. Bugs and Comments
##############################

2.1. Installing Graphics and Motherboard Drivers
If you experience any graphical problems, please install the latest video
and motherboard drivers available for your Graphics Card.
Links to the most popular Graphics Card and motherboard manufacturers are
available at the bottom of this document.

2.2. Installing Sound Drivers
If you experience any sound problems, please install the latest sound
drivers available for your sound card.
Links to the most popular sound card manufacturers are available at the
bottom of this document.

2.3. Installing DirectX
MONOPOLY PLUS requires DirectX 11.
To get the latest version of DirectX, please visit:
https://support.microsoft.com/en-us/kb/179113

DirectX is also provided on the install disc in the folder
Support\DirectX.
If you receive an error message about missing DLL files, reinstall
DirectX from the install disc to correct the problem.

2.4. Known issues
It is _not_ advisable to install the game into the Windows folder
(usually C:\Windows), a subfolder of the Windows folder, nor the root of
the system drive (usually C:\).
It is recommended to close all other running programs before installing
the game, to reduce the risk of software conflicts.
Mobile Solutions are not yet fully supported and should be considered
supported "as is" with the limitations that they impose.

##############################
3. Important Web Sites, Contact Information and Technical Support
##############################
3.1. Technical Support
Before contacting Ubisoft's Technical Support Department, please read
through this manual and the README file (in the game installation files).
You will also want to ensure that your computer meets the minimum system
requirements, as our support representatives will be unable to assist
customers whose computers do not meet these criteria.
Finally, browse through our FAQ or search our support database at
http://support.ubi.com. Here you will find the most recently updated
information since the game's release.

Whenever you contact the Technical Support Department, please include the following information or have it available if you are calling:
-Complete product title (including version number)
-Exact error message reported (if applicable) and a brief description of the problem you're encountering
-Processor speed and manufacturer
-Amount of RAM
-Operating system
-Graphics Card that you are using and amount of RAM it has
-Make and speed of your CD-ROM or DVD-ROM drive
-Type of sound card you are using

Support Over the Internet

This is the best way to find answers to common issues seen with our games.
Our Frequently Asked Questions list is available 24 / 7 and contains the most up-to-date Technical Support information available, including patches for all of our games.
 We update the Support pages on a daily basis, so please check here first for solutions to your problems: http://support.ubi.com.

Contact Us by Webmail

We no longer offer support via standard email, but we do provide support through webmail.
 By taking your questions directly through our website, we are able to respond to your questions much more quickly than we could through standard email. .
To send us a webmail simply log into our site at http://support.ubi.com.

From this site, you will be able to enter the Ubisoft Solution Center, where you can browse through our Frequently Asked Questions (FAQ), search our database of known problems and solutions, and send in a request for personal assistance from a Technical Support representative by using the Ask a Question feature.
Most webmail contacts are responded to within two business days.

Contact Us by Phone

Contact Us by Phone: You can also contact us by phone by calling (919) 460-9778.
Please note that this number is for technical assistance only.
When calling our Technical Support line, please make sure you are in front of your computer.

Our Technical Support representatives are available to help you Monday through Friday from 9am-9pm Eastern Time (excluding holidays).
While we do not charge for technical support, normal long distance charges apply.
To avoid long distance charges, or to contact a support representative directly after these hours, please feel free to browse our Frequently Asked Questions or send us a webmail.

Pour du service en français, veuillez contacter: (866) 824 6515.
Para la ayuda en español llame: (866) 824-6515.

Contact Us by Standard Mail

If all else fails you can write to us at:

[US Technical Support]

Ubisoft Support
4000 Aerial Center Pkwy
Suite 102
Morrisville, NC 27560
USA

[CA English Support]

5505 Boulevard Saint Laurent
Suite 5000
Montreal, Quebec
Canada H2T 1S6

Return Policy

Please do not send any game returns directly to Ubisoft before contacting
Technical Support.
 It is our policy that game returns must be dealt with by the retailer or
online site where you purchased the product.
 If you have a damaged or scratched game disk, please visit the FAQ
listing for your game and get the latest replacement policy and pricing.
We will not accept unsolicited returns/exchanges without prior approval
and an RMA (Return Materials Authorization) number from a support
representative.
